

Current Challenges

The community of Ikot Edem Odo grapples with stark socio-economic hardships. Many residents endure poor living conditions, aggravated by limited access to essential resources such as:

- Quality education
- Safe living conditions
- Clean drinking water
- Nutritional support
- Sanitation facilities
- Job opportunities

About MissionCare

MissionCare is a non-profit organization established

in the city of Council Bluffs, Iowa. Officially registered with the Secretary of State and holding a 501(c)(3) tax-exempt status. We are passionately committed to transforming lives and fostering sustainable development in marginalized communities around the globe. With a focused mission on education of the youths, we strive to uplift vulnerable children and their families through a diverse array of impactful initiatives. Our programs are designed not only to provide immediate assistance but also to empower these communities to build a brighter future for themselves. Through education, healthcare, and community development projects, we work diligently to make a lasting difference in the lives of those we serve.
